COASTAL ZONE REPORT

Ralph Eustis, Mattapoisett representative to the Coastal Zone Management Committee, reported to Selectmen that the Coastal Zone's interest seems to be centered on recreation rather than on conservation which was motivation for its creation by the State legislature. He said that, rather than seeking the views of the coastal towns, all of the direction is now coming from the State. Eustis said that he felt that these directions were unrealistic and that he is profoundly disappointed in the group. He said that he felt that the Southeastern Planning and Economic Development District should be involved in these plans because they are a regional group and should have some influence on the state directives. Chairman R. William Blasdale inquire if this were the general concensus of the other coastal town representatives and Eustis said he believed that neighboring towns felt this way.

Eustis agreed with the Selectmen's view that a mooring plan should be worked on so that the harbor could be efficiently utilized by boatmen as more boats join those already in the harbor.

USED CAR APPLICATION

Mr. Arcade Mandeville appeared before Selectmen to protest their written denial of a Class II used car license to his auto body repair business. Mr. Mandeville said that he had held such a license some years ago without any accidents occurring. He said he foresaw no hazard resulting from parking used cars along the front of his property as they would be on the low level of the property.

Chairman Blasdale said that the traffic hazard was only one of the reasons for the license denial. He said that such a license does not allow body repair on the car to be sold. According to the terms of this license, he explained, the used car business has to be the major business.

Mr. Mandeville pointed out that many other businesses in town were operating under this Class II license in both areas. The chairman explained that, until now, they were unaware of this provision. Now that the Town Counsel has fully explained the law, current license holders will be reviewed as their license comes up for renewal at the end of the year to see that they meet the pro-

JURORS DRAWN

George Hillman of Marion Road and Richard Regan of Hillside Avenue were drawn for jury service at the Civil Session in Brockton starting on December 6.

CROSSOVER RECOMMENDED

R. J. Kelleher, State Traffic engineer, recommended in writing that a 10 foot wide crossover be constructed in gravel halfway between Marion and Mattapoisett on I-195. The crossover was recommended by Mattapoisett and Marion Fire and Police Chiefs for use of emergency vehicles in accident response.

APPOINTMENTS

Philip Murray of Channing Road was appointed to the Industrial Committee.

Frances Pernas of North Street was appointed to the Historical Commission.

TOWN CLERK COMPLIMENTED

Several compliments were sent to the Selectmen in behalf of Town Clerk Lois Ennis for the 7 A.M. opening of the polls. People said that voting on the way to work was a great convenience and many took advantage of the early hour. The voters expressed hope that the Town Clerk would repeat this practice.

Introducing the bank for the Little Guy.

Most banks are set up to help the Big Guys. Big business. Big money.

But now there's a bank for the Little Guy. The regular people like you and like us. Fairhaven Savings.

We don't write big loans for big corporations or, in fact, do much at all for the Big Guy.

But for the Little Guy we do offer every banking service he'll ever need.

And we tailor those services especially for the Little Guy.

And deliver them in the most helpful, friendly way we know how.

5% NOW Accounts.

Instead of checking accounts that cost the Little Guy money, we offer NOW Accounts that pay him 5% interest, compounded daily.

So at Fairhaven all your money is working for you — even the money you use for paying bills.

24-Hour Teller.

Little Guys don't keep banker's hours.

So neither do we.

Thanks to our 24-Hour Automatic Teller, you can bank with us any time day or night, seven days a week.

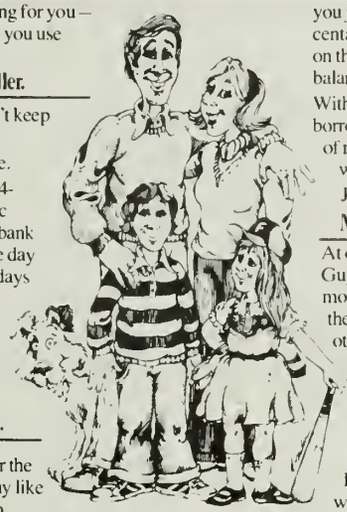
Just come in and ask for our 24-Hour Transaction Card.

Money Mate.

This is a way for the Little Guy to buy like the Big Guys do. With cold hard cash.

First we establish your line of credit — up to $4500.

Then we give you a package of Money Mate checks.



Whenever you want to buy something but don't have the money, you simply pay with a Money Mate check. We automatically loan you the money — and charge you just a 12% annual percentage rate (1% a month on the average daily balance).

With Money Mate, you can borrow the exact amount of money you need, whenever you need it.

Just come in and apply.

Mortgage Money.

At our place the Little Guy can get mortgage money just as easily as the Big Guys do at other places.

Now this doesn't mean we can give anybody a mortgage on any place they want.

But it does mean we will do everything possible to help finance the house of your dreams.

Savings.

We've got so many ways to save, the Little Guy can choose exactly what's best for him.

Regular Savings. 90-Day Notice Accounts. Short Term Certificates of Deposit. Long Term Certificates of Deposit.

All with the highest interest rates allowed by law.

And, of course, the deposits are insured.

Drive-Up Windows.

The Little Guy's time is just as valuable as the Big Guy's time. So we offer Drive-Up banking at our main office. 4 lanes of it. To really save time.

Two Convenient Locations.

Right on Route 6 — 215 Washington at Huttleston Avenue.

And at the corner of Center and Main.

One phone number: 999-2961.

Fairhaven Savings.

You're a Big Guy to us.

'cause Little Guys need all the help they can get.

Flu Clinic - General Public

SWINE FLU CLINIC

A Swine Flu (Monovalent) Clinic will be held for the general public, ages from 25 to 64, on Thursday evening, November 18th, from 4 to 6 P.M. in the Mattapoisett Town Hall.

This is the only time that this will be available.

FORAM MEETING

FORAM will meet this month on Thursday, November 18th, at 8 P.M. in the Old Rochester Regional High School Library. Everyone is welcome!

Agreement Reached

In recent weeks the town has been faced with a somewhat unprecedented dispute between the elementary school teachers and the Mattapoisett School Committee. The teachers were seeking what it felt was a fair settlement in terms of salary when compared to area towns. The School Committee was concerned with holding down spending and taxes for the town.

On Monday afternoon, November 8th, the Teachers' Club Negotiating Team met with members of the School Committee for what proved to be the last negotiating session. At this meeting an agreement was reached, satisfactory to both sides. Tuesday morning the terms of the agreement were ratified by the remaining members of the Teachers' Club. Both sides will now work out the technical details of the actual wording so that the final contract can be signed by both sides as soon as possible.

No purpose can be served by looking back over the events of the recent past. The time

Open Letter

TO THE PEOPLE OF MATTAPOISETT

On Friday, November 19, 1976 I shall be ending my career in government service, as an employee and as Postmaster of the Mattapoisett Post Office. I feel both sadness and gladness over the prospect. Sadness, because I know I will miss the many wonderful people with whom I have been in contact daily; and gladness because I am looking forward to doing some of the things that I, and my wife Evelyn, have been wanting to do upon retirement.

I feel greatly privileged and honored to have been able to serve the people of Mattapoisett these past thirty years. You have made these years very full, with your friendliness and support.

A very special thank you goes to all with whom I have worked for their constant cooperation. They have helped to make the job easier and more pleasant.

Rod & Gun Club

TURKEY SHOOT

The Sippican Rod and Gun Club will hold a Turkey Shoot on Sunday, November 21, from 1 to 4 P.M. on the clubhouse grounds at Dexter Lane in Rochester.

Shotgunners will compete from 40 yards with 12, 16 and 20 gauge shotguns. Participants may use their own guns or one available at the clubhouse.

The Sippican Club will also, because of its popularity, hold a .22 caliber rifle and pistol shoot, along with their normal shotgun event.

The clubhouse will be open and refreshments will be available. Those interested in becoming a member of the Club may obtain applications from the clubhouse.

O.R.R. Boosters Meeting

The sports minded student participates in his or her choice of athletic endeavor; whether they are the best is not important - instead, they are doing their thing.

It is surprising that support for these young adults is forthcoming only from their coaches, some interested parties and the Boosters' Club.

"WHERE ARE THE PARENTS?"

The Boosters' Club, which supports all sports, has tried unsuccessfully to form an interested group to promote aid to sports participation, either financial or moral. This Wednesday, November 17th, a meeting will be held at the Junior High School at 7:30 P.M.

Agenda: Shall we continue to support athletic activities if there is absolutely no interest?

Do you question what the Boosters' Club has done in past years? Please ask any active member; you will be amazed.

NBIS has some new things for Christmas '77

...a new "adult" Christmas Club and a free gift for opening it!

November's the month to open your '77 Christmas Club at NBIS...and this year, we have several brand-new things to talk about.

First, we have an attractive gift for everyone opening a '77 Christmas Club at any of our 6 convenient offices: a handsome full-color Currier & Ives ceramic tile you can give as a gift or use so many ways at home. It's backed with cork for use as a table hotpad and has a built-in hanger in case you prefer it on your wall. Very, very nice!

And second, we've made the NBIS Christmas Club much less stuffy and much more convenient to use. There are no coupons. When you receive your bright new Christmasy-looking passbook, you're free to save whatever* you wish each week. And there's no predetermined weekly amount (although we recommend you try to save consistently every week you can!). You're free to put in extra money any week you come out a little ahead in the race!

*Minimum deposit: $1.00

The minute your Christmas Club reaches $10, it starts earning interest at the annual rate of 5¼%, compounded continuously — just like a regular NBIS passbook savings account!

Then, at the end of 50 weeks, we'll mail you a check for the full amount you've saved plus interest earned right up to the last day of the Christmas Club season.

One more thing. We'll keep your Christmas Club account number open after we've closed out your 1977 club so you won't even have to open a new '78 club. You'll use the same account number and the same passbook when you're ready to start Christmas saving next November.

So come on in and open your 1977 Christmas Club at any NBIS office this month. Our new "adult" Christmas Club: It gives you new flexibility, great interest, automatic renewal, a nice gift...and no penalties for a missed week!

Your free gift when you open your '77 Christmas Club (Limited one to a customer)

Our pretty new Christmas Club passbook

You'll find extra convenience even in Christmas Clubs at NBIS.

Mattapoisett Woman's Club

There will be a Board meeting on Thursday, November 18, at 10:00 A.M. at the home of Lois Murray, Channing Road. Elected officers and department chairmen should be there. Bring along a sandwich as we will go directly to the meeting from Lois'.

The monthly meeting will be at 1:00 P.M. at the Congregational Church Parish Hall on Thursday, November 18. Mr. Thomas Bucar, vice president and trust officer of the First National Bank of New Bedford, will speak about trusts, pensions, wills and the many aspects of finance which all women should be aware of in this day and age. Come and get the facts. Mrs. Lawrence O'Pezio is the hostess for the meeting.

There are still tickets available for the New Year's Eve Ball. Call Lois Murray at 758-4949 to reserve your table or at the very least your ticket to insure a place at the gala of the year. Remember, the proceeds are for our Scholarship Fund.

A reminder that all information concerning meetings and coming events should be presented to the Editor of Ladies Choice at either the board or monthly meeting.

"Messiah" - Join in!

That pent-up urge to just sing your heart out with a large group can be released with all its gusto Friday, December 10, at 8 P.M. at Old Rochester Regional High auditorium.

The audience will be the performer at a "Messiah Sing" being planned by the Sippican Choral Society - and no admission will be charged. Everybody who wants to sing some of those great "Messiah" choruses can come and do just that.

Director Peter West will divide the audience into parts and sprinkle choral society members among them. Soloists will have been picked beforehand but the choruses belong to the audience.

Sheet music will be available and West will give the audience a quick rehearsal before the "sing". And, away we go!

There may be some orchestral accompaniment

Leadership Recognized

WINNER OF CENTURY III LEADERS' SCHOLARSHIP COMPETITION

Mary Kate Worden, Ocean View Avenue, Mattapoisett, has won the Century III Leaders' Scholarship competition at Old Rochester Regional High School, it was announced by David S. Hagen, principal.

The local contest is part of the nationwide competition for $116,500 in scholarships at the state and national level. The Century III Leaders' scholarship program is administered by the National Association of Secondary School Principals and is funded by the Shell Oil Company. Runner-up in the competition at Old Rochester was Lisa Smith, Tobey Lane, Mattapoisett.

Students' entries were judged on the basis of their leadership potential with emphasis on community and extracurricular activities, their high scores on a current events exam, and on their written viewpoints about America's needs and challenges for the future.

Mary Kate now competes with other high schoo. winners from around the state for two $1,000 scholarships and an opportunity for the $10,000 top national scholarship.

The two Massachusetts winners will receive an all-expense-paid trip to the second annual national Century III Leaders' meeting in Colonial Williamsburg in March 1977 to participate in seminars on current issues.

All First Graders who will be attending C.C.D. at St. Anthony's Church are asked to be at the church from 10:00 to 11:00 A.M. on Saturday, November 20. The children have been invited to attend the Baptism of Andrew David Lynch. Since the study of this sacrament constitutes an important part of the First Grade curriculum, it is important that the children be present. At that time they will be assigned to a teacher and given a class schedule. This invitation applies to all First Graders, both registered and unregistered. O.R.R. Sports

The ORR soccer team finished the season just two percentage points away from qualifying for the State tournament. Wayne Caswell finished off his high school soccer career with the honor of being the number one scorer in Division I with 21 goals. Davy Andrews finished number three with 14 goals. Coach Ron Normand was pleased with the team, finishing off with a 8 wins, 4 losses and 4 ties record. The team placed the only defeat against Dennis-Yarmouth, who went on to win the division title. ORR placed fifth in the division.

The varsity volleyball team completed their season with a win over Coyle. The scores were 15-5 (ORR), 10-15 (Coyle), and 15-11 (ORR). The team is the Division I champ and will participate in the State tournament. Coach Rodrigues feels that the team will do well in the tournament for two reasons. The first is that the girls have very good skills in handling the ball and are extremely quick. The second is that it is a very steady team, the girls never quit, even when they're behind. The coach also feels that when the All-Stars are chosen every one of his eight starters: Betty Harkins, Alison Anselmo, Paula Wood, Melissa Lorenz, Kate Bauer, Beth Lammi and Karen Wilbur - has the talent to be on the team. The team finished the season with a 12 wins and 1 loss record.

The JV team suffered their only season loss in their last game against Coyle. The scores were 12-15 and 13-15. Their record was also 13 wins and 1 loss. Coach Rodrigues has high hopes for future teams based on the outstanding record of the JV team. According to the coach it was the team's co-captains Cecile Lemieux and Ann DeSorcy who held the team together and helped ORR to have Division I JV volleyball championship team also.

Dear Constituents:

The many grueling weeks of campaigning are now behind us. As in all elections, there is a winner and a loser; I was the victor due to the combined efforts of many hard-working and loyal supporters.

Humility best describes my feelings after searching for the right words to express adequately my gratitude to the many persons having confidence in me by working hard toward my election and by casting their votes in my favor. To those who did not support me for one reason or another, I will try to meet and get to know as many of you as possible and hope to gain your confidence by proving that I am worthy of it. I will never knowingly or intentionally let you down.

It would have been impossible for me to win this election without the hundreds of workers and individuals who supported and attended the fund-raising events which enabled me to seek the office of Representative of the 7th Plymouth District. I am so very proud that the funds expended during my campaign were raised through direct efforts of my many workers. The functions they planned were successful, and they showed much ingenuity planning these events.

My appreciation goes to the news media - the Standard-Times, the Sippican Sentinel, the Presto Press and last, but not least, the Wareham Courier and the Old Colony Memorial who endorsed my candidacy. The personal endorsements by Senator Edward W. Brooke and Rep. Margaret Heckler (who took time from their hectic schedules to come to Wareham personally on my behalf), Senator John Aylmer and Commerce Secretary Eliot Richardson also mean very much to me, as does the support of my predecessor, Rep. Charles MacKenzie.

Throughout my campaign I discussed important issues candidly as promised at the outset of the campaign. I presented issue-oriented, substantive advertising so that the voters would have a clear picture of my stands.

I will do everything in my power to give responsive, honest, and open representation to my constituency and will work hard toward legislation benefiting the most people possible, with the welfare of all constituents being carefully considered and given top priority.

To my many workers and supporters - I'm proud to call you my team; you "made it happen." THANK YOU, AND GOD BLESS YOU! I could never have made it without all of you.

Most sincerely,

Charlie Decas

"Applause" Postponed

AN APOLOGY!

Last week's paper carried a very nice article on the Marion Art Center's up-coming production of "Applause". I am sorry I have to report that we have had to postpone our production until January. There have been a great many "problems": technical, physical; that we are forced to do so in order to have a good performance for our audience, YOU! The cast remains the same.. the new dates are firm!: January 13, 14, 15 and 20, 21, 22. So, please continue to support the Center and come out of the January post holiday doldrums and see us!

Thanks from all of us, Nancylee S. Gaucher, director.

P.S. The Young People's Showcase is performing at the Center's November 26th opening. Showcase is at 7:30 P.M. in the theater.

YMCA "TURKEY-TROT" ROAD RACE

The YMCA of Greater New Bedford will sponsor a 3-mile "Turkey-Trot" Road Race on Sunday, November 21, at 1 P.M., announced by Vincent Goglia, Physical Director.

This is an "open" race and the winners of each race division will be awarded a Thanksgiving turkey. Second and third place finishers will receive trophies. All race finishers will receive an award. This low-key event is designed to bring out the average jogger; perhaps, an entire family may compete together.

The race divisions are as follows: under 18 years; 18-29 years; 30-39 years; 40-49 years; 50-59 years; and Women. All runners must register on or before Friday, November 19, and report to the YMCA ready to run one half hour before race time to receive a race number. "It is certainly a unique way to bring home the Thanksgiving turkey," concluded Goglia.

For further information and registration call the "Y" at 997-0734 or visit the YMCA at 25 South

"COUNTRY YULETIDE FAIR"

A "Country Yuletide Fair", sponsored by St. Anthony's Women's Guild, will take place on December 4th from 10 A.M. to 4:30 P.M. in the church hall.

Julia Silveira (758-2575), in charge of the Apron Booth, plans a varied selection of handmade aprons. A popular item this year will be the matching pot holder and apron gift sets.

For the first time this year a Plants and Greens Booth is planned. House plants of various kinds all dressed up in holiday foil wrapping will be available for gift giving. Hanging plant enthusiasts will appreciate the lovely macrame plant hangers made by this booth's chairman, Sharon Doyon (758-2208). Also planned are fabric flowers (perfect for little girls' rooms!) and poinsettia bows which were such great sellers last year.

Fresh green door swags will be sold. Large wreath bows will be available or bring your own ribbon and Sharon will make one to suit your individual taste.

Girl Scout Cookies

Mrs. Richard Kennedy, Cookie Chairman, announced today that Girl Scouts in the area are selling cookies this year from November 19th to December 4th, just in time for the upcoming holidays. Instead of taking orders, the girls will have cookies with them for immediate delivery.

Customers who expect their cookies to disappear over the Thanksgiving weekend can easily replenish their supply by asking their Girl Scout neighbor to return before the end of the sale.

As always, a large part of the money needed to finance each troop's activities is derived from the Cookie Sale. This year, for the first time, troops selling more cookies can earn

One Day Fast

MARION ECUMENICAL COUNCIL
FAST FOR A WORLD HARVEST

A one-day, townwide fast is being sponsored by the Marion Ecumenical Council. The date is Thursday, November 18th - the week before Thanksgiving.

The food money saved by each Marion family's fast will help small farmers to grow more food for their families. It will be distributed by Oxfam-America, the renowned, non-denominational, low-overhead organization that is known around the world for its realistic aid to help the poorest people on earth to help themselves.

Marion families saved and shared more than $1,500 by a similar fast two years ago.

The money saved by Marion's week-before-Thanksgiving fast can be sent to Marion Ecumenical Council, Box 545, Marion, Ma. 02738. Or the gifts will be welcomed at the Ecumenical Thanksgiving Service at the Congregational Church on Wednesday evening, November 24th (Thanksgiving Eve) at 7:30 P.M. All gifts are tax-deductible.

The Marion Ecumenical Council encourages all Marion citizens to get together with friends, schoolmates, or business associates and talk about the FAST for a WORLD HARVEST. And urge others to get involved to match the town's Fasting commitment with their dollars.

Reflection

EDITORIAL
ON ARMISTICE DAY

Once there was a moment in history so full of pure emotion that a day was put aside so that that level of joy could be celebrated as an end to all war - peace for all time. That meaning so deep and universal that it is relevant to anyone of any generation. Armistice Day was born. It was before my time. It was before the time of most Americans of today but still who can not share the sentiment of this meaningful hope and trust.

Enter the politician - in committee - who creates the camels with which we are saddled. Because the aspiration was dashed by World War II, by Korea, by Vietnam, the political committee adulterated the whole meaning of the hope and the joy and trust. They proclaimed Veterans' Day and finally took the last meaning from even that substitute by making it part of a long weekend.

We can relate and celebrate a hope with idealism. Armistice Day could well encompass the peace makings that followed and the honoring of those veterans whose sacrifice made peace possible. None of us was present for the beginning of our republic and yet we can find meaning and celebrate our Independence Day on the 4th of July. Veterans have finally prevailed

to move the celebration back to the day of meaning. Something is still missing. Everyone, every age can relate to a moment when peace was won. Armistice Day was and is the ultimate in hope. We did not have to be on earth at that time to appreciate the culmination of sacrifice and idealism. The veterans have won the restoration of this day of meaning. Wouldn't it be the ultimate touch if we restored the true designation with the name Armistice Day? Even small children would then know it was not just another parade.
